

u floe UF 12

Systems full of harmony

An inspiration for the creation of the U_floe were the ice floes, which in a completely random way create the interesting, harmonising systems. The individual elements of the collection, combined in the selected system, provide each user with a bit of intimacy while fulfilling many functions.

Create warm atmosphere

An addition of the high tables, planters and racks for the plants enable to provide a perfect complementation of the space, creating a warm atmosphere and a comfortable and ergonomic workplace or resting place.
